September, 02, 2022

Dear Rahul Bhagchandani,

The Performed by Schlumberger program recognizes team members throughout the company who have demonstrated exceptional levels of teamwork, innovation, commitment to sustainability, and business impact for Schlumberger and its customers.

I would like to thank you for your contribution to the ePTW-OPF[One Production Facilities] project and for participating in the 2022 Performed by Schlumberger program.

Teamwork, innovation, and business impact are how we translate the Schlumberger core values—our people, our commitment to technology and quality, and our determination to produce superior profits—into action. Your project not only creates commercial value for our customers and Schlumberger, but also brings value to the industry.

Please accept my personal congratulations on this significant achievement!

Yours Sincerely,

Paul Sims
